

- *Nothing will work unless you do* -

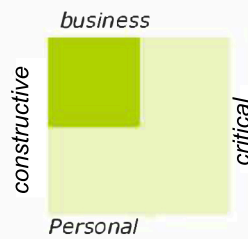

*Creative - commercial - connector- independent
-performance oriented -organized- positive
presence - networker - technical -
audio - engineer - producer- linguistic
salesperson - thinker - innovative - products
Can do - practical - representative
computer-savvy*

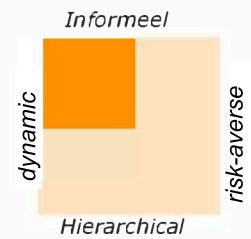

role
I emphasize the relationship with clients and colleagues and have an open and approachable attitude. In addition, I am a real team player.

manager
I like working with a supervisor who gives freedom and allows room to work independently.

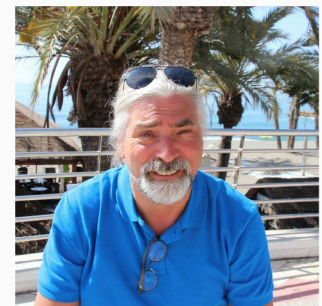

team
I feel at home in a team/ department where plans or contributions are responded to positively and where people are constructive and interested in each other. ...

organization
I get energy from an organization that is flexible and responds energetically to opportunities. .

Experience

Production and realization of media events and products (CDs Books, DVDs websites)
Purchase and sale of media products (CD/DVD/internet)
Event editor/ PR manager Musicmaker magazine Product manager Professional Audio (digital recording) Sales manager Professional Audio
Service engineer Xerox (document processing)
Electronic instrument maker KLM
I am a driven and enthusiastic worker, with technical and commercial qualities. I look for creative solutions and enjoy working together to achieve the best results. Converting new ideas into a workable and tangible result in life and work.
